

Comment Form Instructions

Draft Benbrook Lake Master Plan Revision

Comment Period Ends 5 April 2021

The U.S. Army Corps of Engineers is in the process of revising the Benbrook Lake Master Plan. The Master Plan revision will guide the land and recreational management of the federally owned property that make up the lake and its shoreline for the next 25 years. Management activities include protecting natural and cultural resources, providing public land and water recreation, protecting the public, and ensuring reservoir and dam operations. Pertinent information and a copy of the current land use map can be found on the USACE website below.

To add your comments, ideas, or concerns about the future land and recreational management for Benbrook Lake, please submit comments using any of the following methods:

Fill out and return a comment form available below or at:

https://www.swf.usace.army.mil/About/Lakes-and-Recreation-Information/Master-Plan-Updates/Benbrook-Lake/

Provide comments in an email message or use comment form and send to:

EMAIL: CESWF-PER-Benbrook@usace.army.mil

Provide comments in a letter or use comment form and mail to:

Joshua Quiring, Project Manager
