Comment Form Instructions

Canyon Lake, Texas

Master Plan Revision

Comment Period March 18 through April 17, 2016

The U.S. Army Corps of Engineers is in the process of revising the Canyon Lake Master Plan. The master plan revision will guide the land and recreational management of the federally owned property that make up the lake and its shoreline for the next 25 years. Management activities include protecting natural and cultural resources, providing public land and water recreation, promoting visitor safety, and ensuring reservoir and dam operations. A map of the current land uses can be found on the back of the comment form for reference. Public input is especially needed regarding revised land use classifications and preparation of management plans. Definitions and examples of these terms are provided in the presentation noted below.

To add your comments, ideas, or concerns about the future land and recreational management for Canyon Lake, comments can be submitted using any of the following methods:

- fill out and return a comment form available at
<http://www.swf.usace.army.mil/About/LakesandRecreationInformation/MasterPlanUpdates/CanyonLake.aspx>
- provide comments in an email message or use comment form and send to: CESWF-PER-CanyonLake@usace.army.mil
- provide comments in a letter or use comment form and mail to:
Rhonda Fields, USACE - Fort Worth District - RPEC-PM
819 Taylor Street, Room 3B10
Fort Worth, TX 76102
- drop off comment form or letter at the Canyon Lake Project office located at: 601 COE Road, Canyon Lake, Texas 78133

The Canyon Lake Master Plan Revision public meeting presentation and Lake Map is available for download at:
