Public Notice

From: U.S. Army Corp of Engineers, Fort Worth District

Date: December 6th, 2012

SPECIAL PUBLIC NOTICE

FORT WORTH DISTRICT REGULATORY HOMEPAGE WEB ADDRESS CHANGE

On Tuesday November 27th, 2012, the Fort Worth District website and associated webpages (including the Fort Worth Regulatory Homepage) were migrated to a new website hosting platform. Consequently, most of the webpage addresses associated with the Fort Worth District website have changed, and any bookmarks you may have saved with the old addresses will no longer work. The new Fort Worth District website is still www.swf.usace.army.mil, but the Regulatory homepage has been moved under the “Missions” category to www.swf.usace.army.mil/missions/regulatory. We recommend that you update your bookmarks to reflect the change.

Migration to the new platform has resulted in many changes to our website. Please be aware that in the coming weeks, we will be making additional logical changes/updates to the website to make it more user-friendly. Please be patient as we work to make our webpage better for the use of all. If you are having trouble finding a specific link or document, please contact Ms. Heather Markway at (817) 886-1745 or heather.n.markway@usace.army.mil.
