Re: Subsurface Petroleum Contamination at Laredo International
Airport (Site #6), 518 Flightline, Bldg 132, Laredo, (Webb
County), Texas
LPST ID No. N/A; Facility ID No. Pending

Dear Mr. Flores:

We have completed our review of the investigation procedures regarding the above-referenced facility as provided in the report submitted by Southwestern Laboratories on March 9, 1993. Based upon this and other information available to us at this time, we conclude that no assessment or remedial action is required at Site No. 6. A site location map and description sheet is attached. This work is being done by the U.S. Army Corps of Engineers.

Should you have any questions, please contact me at (210) 968-3165. Your cooperation in this matter has been appreciated.

Sincerely,

William F. Morris
