## **Corps of Engineers begins charging day use fees at Proctor and Hords Creek Lakes**

FORT WORTH, TX – Effective today, the Corps of Engineers at Proctor and Hords Creek Lakes will begin charging day use fees on a per area basis. Formerly, day use fees were charged on a per facility basis, ranging from \$1 to \$4 for use of developed swimming beaches and \$3 for boat launching. The new fee structure will result in a flat \$3 charge for use of either amenity. Children under 12 years of age are admitted at no charge.

An annual pass may be purchased for \$30 which permits the holder and passengers to use any day use facilities at all Corps parks for the calendar year. A second pass may be purchased for \$15.

Additionally, Golden Age and Golden Access passports will be honored which entitle holders to a 50 percent discount on all recreation use fees.
