Corps of Engineers seeking public comment on renovations at Whitney Powerhouse

FORT WORTH, Texas – The U.S. Army Corps of Engineers is seeking public comment on a proposed project to replace a wall of windows on the northeast elevation of the Whitney Powerhouse for reasons of public and employee safety.

The Corps plans to replace the windows with a brick pattern to match the existing window frames. Under the National Historic Preservation Act, federal agencies are required to solicit public comment about such actions. The Corps also plans to document the powerhouse structure using the Secretary of the Interior's Standards and Guidelines for Architectural and Engineering Documentation.

Those wishing to view the detailed plans to replace the windows may do so by contacting the Whitney Lake Office at (254) 622-3332. Comments should be sent to:

Dan McGregor
CESWF-OD-R
P.O. Box 17300
Fort Worth, TX 76102-0300

Comments should be received no later than January 30, 2004.
