Corps of Engineers revokes permit for 7th Annual DAWGS on HAWGS event at Somerville Lake

FORT WORTH, *Texas* – The U.S. Army Corps of Engineers announced that it has revoked the permit previously issued to Deep Water Holdings (Big Creek Marina) at Somerville Lake for the 7th Annual Dawgs on Hawgs event that was scheduled to take place on April 22-25.

As part of the original permit for the event, the sponsors were required to meet certain conditions acceptable to both, local officials and the U.S. Army Corps of Engineers, at least two weeks prior to the event. Since the sponsors have failed to comply with those conditions, there is no other choice but to cancel the event.

Anyone planning to attend the event, or vendors that had planned on having concessions at the event should note that none of the scheduled events will take place. For further information, contact the Somerville Lake Office at (979) 596-1622.
