Granger Lake, Texas Master

Plan Revision

Comment Period

24 February - 26 March 2021

The U.S. Army Corps of Engineers is in the process of revising the Granger Lake Master Plan. The master plan revision will guide the land and recreational management of the federally owned property that make up the lake and its shoreline for the next 25 years. Management activities include protecting natural and cultural resources, providing public land and water recreation, protecting the public, and ensuring reservoir and dam operations. Pertinent dam and reservoir information and a copy of the current land use map can be found on the web address below.

To add your comments, ideas, or concerns about the future land and recreational management for Granger Lake, please submit comments using any of the following methods:

- View the presentation, current master plan, and map and fill out a comment form available at:
<http://www.swf.usace.army.mil/About/LakesandRecreationInformation/MasterPlanUpdates/Granger-Lake>
- provide comments in an email message or use comment form and send to:
m2swfodga@usace.army.mil
- provide comments in a letter or use comment form and mail to:
