Grapevine Lake Master Plan Revision

Comments Due By July 10, 2022

The U.S. Army Corps of Engineers has drafted a revision to the Grapevine Lake Master Plan in accordance with current laws and regulations, public stakeholder comments, and expert advice. The master plan revision will guide the land and recreational management of the federally owned property that make up the lake and its shoreline for the next 25 years. Management activities include protecting natural and cultural resources, providing public land and water recreation, protecting the public, and ensuring reservoir and dam operations. Pertinent information and a copy of the current land use map can be found on the USACE website below.

To add your comments, ideas, or concerns about the future land and recreational management for Grapevine Lake, please submit comments using any of the following methods:

- Fill out and return a comment form available below or at: https://www.swf.usace.army.mil/About/Lakes-and-Recreation-Information/Master-Plan-Updates/Grapevine-Lake/
- Provide comments in an email message or use comment form and send to: CESWF-PER-Grapevine@usace.army.mil
- Provide comments in a letter or use comment form and mail to:

U.S. Army Corps of Engineers

John Mathney, Grapevine Lake Manager

110 Fairway Dr.

Grapevine, TX 76151

Thank you for your participation in helping develop the Master Plan for Grapevine Lake.
