Stillhouse Hollow Lake, Texas Master Plan Revision

Comment Period 24 February - 26 March 2021

The U.S. Army Corps of Engineers has drafted a revision to the Stillhouse Hollow Lake Master Plan in accordance with current laws and regulations, public and stakeholder comments, and expert advise. The master plan revision will guide the land and recreational management of the federally owned property that make up the lake and its shoreline for the next 25 years. Management activities include protecting natural and cultural resources, providing public land and water recreation, protecting the public, and ensuring reservoir and dam operations. A presentation containing information pertinent to the proposed revision can be found at the web address below.

To add your comments, ideas, or concerns about the future land and recreational management for Stillhouse Hollow Lake, please submit comments using any of the following methods:

- View the presentation, review the draft and maps, and fill out a comment form available at: http://www.swf.usace.army.mil/About/LakesandRecreationInformation/MasterPlanUpdates/ Stillhouse-Hollow Lake
- provide comments in an email message and send to:
