***Shoreline Management Plan Revision***

***Public Information Meeting***

*30 day comment period 11 February through 11 March 2020*

The U.S. Army Corps of Engineers is in the process of revising the Whitney Lake Shoreline Management Plan. The purpose of the Shoreline Management Plan revision is to establish policies and provide guidelines for managing the shoreline (lakeshore) of Whitney Lake, Texas, for the protection of desirable environmental characteristics and for the restoration of shorelines where degradation has occurred. Public input is especially needed regarding revisions of shoreline allocation, which must compliment the 2016 Whitney Lake Master Plan.

To add your comments, ideas, or concerns about the future shoreline management for Whitney Lake, comments can be submitted using any of the following methods:

- fill out and return a comment form available <https://www.swf.usace.army.mil/About/Lakes-and-Recreation-Information/Shoreline-Management-Plan/Whitney-Lake/>
- provide comments in an email message or use comment form and send to: ceswf-per-whitney@usace.army.mil
- provide comments in a letter or use comment form and mail to:

Billy Haferkamp, CESWF-OD-R  
U.S. Army Corps of Engineers, Fort Worth District  
285 CR 3602, Clifton, Texas 76634  
Phone: (254) 622-3332

The Whitney Lake Shoreline Management Plan Revision public meeting presentation, shoreline allocation map, 1976 Lakeshore Management Plan and 2020 Shoreline Management Plan are available for download at:
