

★ U.S. General Service  
Administration Overview

Charlie Hart  
Competition Advocate for the  
Public Buildings Service (PBS)

# GSA Mission

To deliver the best customer experience and value in real estate, acquisition, and technology services to the Government and the American people.

# GSA Four Fundamental Strategies

1. Develop real estate solutions by acquiring, designing, constructing, managing, and preserving Government buildings and optimizing GSA's real estate portfolio.
2. Offer best value and an exceptional customer experience to Government organizations in acquiring professional services, equipment, supplies, telecommunications, and information technology.
3. Modernize technology across Government to protect against cyber threats and deliver a better digital experience for the American people.
4. Promote interagency collaboration, centralized services, and shared solutions to improve management practices and operations across Government.
