USACE Point of Contact: [Amanda Pesce](#)

**PUBLIC NOTICE UNDER SECTION 106 OF THE NATIONAL HISTORIC
PRESERVATION ACT
FOR A PROGRAMMATIC AGREEMENT AMONG THE U.S. ARMY CORPS OF
ENGINEERS, FORT WORTH DISTRICT, THE CITY OF DALLAS, AND THE TEXAS
STATE HISTORIC PRESERVATION OFFICER REGARDING THE DALLAS
FLOODWAY EXTENSION PROJECT**

TITLE: Programmatic Agreement Regarding the Dallas Floodway Extension Project

REQUESTER AND NON-FEDERAL SPONSOR: City of Dallas

LOCATION: The project is located along the Trinity River in Dallas, Dallas County, Texas.

BACKGROUND: The Dallas Floodway Extension Project (DFE) was authorized by Section 301 of the River and Harbor Act of 1965 (Public Law 89-298) and was modified by Section 351 of the Water Resources Development Act of 1996 (Public Law 104-303). As a U.S. Army Corps of Engineers (USACE) federally authorized Civil Works project, the Dallas Floodway Extension project is subject to Section 106 of the National Historic Preservation Act (NHPA). Previous compliance with the National Historic Preservation Act of 1966 (NHPA) as amended for the planned construction of the DFE resulted in an agreement entitled *A Programmatic Agreement Between the U.S. Army Corps of Engineers, Fort Worth District, the Advisory Council on Historic Preservation and the Texas Historic Preservation Officer Regarding the Dallas Floodway Extension* that was executed on October 8, 1998 (1998 PA). Expansion of the original project scope and project delays necessitate the replacement of the 1998 PA with a new agreement to address current project conditions.

SOLICITATION OF COMMENTS: The USACE is soliciting comments from all parties having an interest in the undertaking's potential effect(s) on historic properties. Comments supporting, opposing, or identifying concerns with the documentation provided will be considered by the USACE.

CLOSE OF COMMENT PERIOD: Written comments on the enclosed documentation are requested beginning February 9, 2022 and should be submitted before or on the close of the comment period March 11, 2022. Comments should reference the project

name and title. Comments and requests for additional information should be submitted to CESWF-PEE-E, ATTN: Ms. Amanda Pesce, P.O. Box 17300, Fort Worth, TX 76102-0300, or by email to amanda.k.pesce@usace.army.mil. Please note that names and addresses of those who submit comments in response to this public notice may be made publicly available.
