Public Notice

River Road Aquatic Ecosystem Restoration Feasibility Study Public Scoping Meeting

The U.S. Army Corps of Engineers, Fort Worth District (USACE), hereby informs the public of the public scoping meeting to be held for the River Road Aquatic Ecosystem Restoration (ER) Feasibility Study, San Antonio, Texas.

The ER feasibility study will develop and analyze ecosystem restoration alternatives, including the No Action Alternative, to restore degraded ecological structure and function to aquatic and riparian habitat on the River Road reach of the San Antonio River between East Mulberry Avenue and US 281.

A public scoping meeting will be held at 6 p.m. on August 13, 2019 at Lion's Field Adult and Senior Center, 2809 Broadway Street, San Antonio, TX 78209. General information about the ER feasibility study and its process will be available for review. There will be an opportunity to ask questions and provide written comments about the project. USACE staff will be on site to answer any questions and/or address concerns about the project.

A 30-day public comment period begins Tuesday, August 13, 2019 and ends September 12, 2019. Comments may be submitted at the public meeting, mailed to Justyss Watson, Biologist, Environmental Branch, Regional Planning and Environmental Center, U.S. Army Corps of Engineers, 819 Taylor Street, P.O. Box 17300, Room 3A12, Fort Worth, TX 76102-0300, or emailed to RiverRoadER@usace.army.mil.

Sincerely,

A handwritten signature in cursive script that reads "Angela M. Lane".
